

**Promoting Gender Diversity & Inclusion  
in the Private Sector**

# About WMF

WMF's goal is to **support economies** by increasing the numbers of women executives and women entrepreneurs. We aim to reach our vision through creating and leading **development programs and forums** for career women, while at the same time providing a platform for data collection and dissemination.

## Mission

Create a platform for supporting and **mentoring women in companies and in entrepreneurship** to support their growth in the private sector.

## Vision

**Increased women's leadership** rates in the corporate sector and in entrepreneurship.

## Values

Be Transparent.

Be Efficient.

Be Effective.

Be Ambitious.
